But last week, and again about an hour ago, what I've heard from Mark is that he will not have time for a separate meeting with Mathy on this trip. I guess he may run into Mathy at the other meetings and talk a little bit about the site but I was told no specific meeting is being set up.

Is this prospective meeting separate from the one Heather set up with you and alyse on June 8? I'm asking to see if we can help or perhaps broaden ready scheduled meeting of appropriate. Thank you.
